Further information when personal advice is given

We will provide you with further information whenever we provide you with advice which takes into account your objectives, financial situation and needs. This information may include the advice that we have given you, the basis of the advice and other information on our remuneration and any relevant associations or interests. This information may be contained in a statement of advice (SOA).

When you ask us to recommend an insurance policy for you, we will usually only consider the policies offered by the insurers or insurance providers that we deal with regularly. In giving you advice about the costs and terms of recommended policies we have not compared those policies to other policies available, other than from those insurers we deal with regularly.

Product disclosure statement

If we offer to arrange the issue of an insurance policy to you, we will also provide you with, or pass on to you, a product disclosure statement (PDS), unless you already have an up to date PDS. The PDS will contain information about the particular policy which will enable you to make an informed decision about purchasing that policy.

From when does this FSG apply?	This FSG applies from 17 th August 2009 and remains valid unless a further FSG is issued to replace it. We may give you a supplementary FSG. It will not replace this FSG but will cover services not covered by this FSG.

We will do this for you as your broker unless we tell you otherwise.
Will I receive tailored advice?	Maybe not in all cases. How will I pay for the services provided?	For each insurance product, the insurer will charge a premium that includes any relevant taxes, charges and levies. We often receive a payment based on a percentage of this premium (excluding relevant taxes, charges and levies) called commission, which is paid to us by the insurers. However, in some cases we will also charge you a fee. These will all be shown on the invoice that we send you. You can choose to pay by any of the payment methods set out in the invoice. You are required to pay us within the time set out on the invoice. If there is a refund of premium owed to you as a result of a cancellation or alteration to a policy, we will retain any fee we have charged you. We may also retain commission. When you pay us your premium, it will be banked into our trust account. We retain the commission from the premium you pay us and remit the balance to the insurer in accordance with our arrangements with the insurer. We will earn interest on the premium while it is in our trust account or we may invest the premium and earn a return. We will retain any interest or return on investment earned on the premium.

How are any commissions, fees or other benefits calculated for providing the financial services?

Our commission will be calculated based on the following formula:

$$X = Y\% \times P$$

In this formula:

X = our commission

Y% = the percentage commission paid to us by the insurer. Our commission varies between 0 and 25%.

P = the amount you pay for any insurance policy (less any government fees or charges included in that amount).

Any fees that we charge you will be determined on a case by case basis with the amount of commission received, if any, considered in determining the fee.

We do not often pay any commissions, fees or benefits to others who refer you to us or refer us to an insurer. If we do, we will pay commissions to those people out of our commission or fees (not in addition to those amounts), in the range of 20 to 50% of our commission or fees.

Our employees that will assist you with your insurance needs will be paid market salary and may receive a bonus for achieving certain targets.

If we give you personal advice, we will inform you of any fees, commission or other payments we, our associates or anyone referring you to us (or us to any insurer) will receive in relation to the policies that are the subject of the advice.

See below for information on the Steadfast association and commission.

Do we have any relationships or associations with the insurers who issue the insurance policies or any other material relationships?

Steel Pacific Insurance Brokers is a shareholder of Steadfast Group Limited (**Steadfast**). Steadfast has exclusive arrangements with some insurers under which Steadfast will receive between 0.5 - 1% commissions for each product arranged by us with those insurers. These payments are used to operate Steadfast.

Depending on the operating costs of Steadfast (including the costs of member services provided by Steadfast to us and other Steadfast shareholders) and the amount of total business we place with the participating insurers in any financial year, we may receive a proportion of that commission at the end of each financial year.

As a shareholder of Steadfast, we have access to member services including model operating and compliance tools, procedures, manuals and training, legal, technical, banking and recruitment advice and assistance, group insurance arrangements, product comparison and placement support, claims support and group purchasing arrangements. These member services are either funded by Steadfast, subsidised by Steadfast or available exclusively to shareholders for a fee.

Steadfast is also a shareholder of Miramar Underwriting Agency Pty Limited (**Miramar**). As a shareholder, Steadfast may receive dividends from Miramar. These amounts will indirectly contribute towards the benefits we receive from Steadfast.

Steadfast has a shareholding in Macquarie Premium Funding. If we arrange premium funding with Macquarie Premium Funding for you, under its agreement with Macquarie Premium Funding, Steadfast will receive 0.5% of your insurance premium (including government fees or charges). As an equity shareholder of Macquarie Premium Funding, Steadfast may also receive dividends from profits of Macquarie Premium Funding. The amount of the Steadfast dividend is based on the share of profit attributable to funding arranged by Steadfast shareholders. The payments (commission and dividends) that Steadfast receives from Macquarie Premium Funding are used to operate Steadfast. Depending on the operating costs of Steadfast and the amount of total business we place with Macquarie Premium Funding in any financial year, we may receive a portion of those amounts at the end of each financial year.

You can obtain a copy of Steadfast's FSG at www.steadfast.com.au

If we arrange premium funding for you, we may be paid a commission by the premium funder. We may also charge you a fee (or both). The commission that we are paid by the premium funder is usually calculated as a percentage of your insurance premium (including government fees or charges). If you instruct us to arrange or issue a product, this is when we become entitled to the commission.

Our commission rates for premium funding are in the range of 0 to 5% of funded premium. When we arrange premium funding for you, you can ask us what commission rates we are paid for that funding arrangement compared to the other arrangements that were available to you.
